Alex H.
Redding, CA

★★★★☆ 12/25/13

Mr. Kucera represented me on a simple matter that was inflated by the prosecutor out of proportion. Although sometimes it is difficult to get in contact with him, he always came through for me when it mattered. He talked the prosecutor down to a miraculously low plea agreement, I couldn't have asked for a better outcome. I would highly recommend Mr. Kucera to anyone needing criminal legal assistance.
