

Dear Mr. Kucera,

Thank you for the birthday card. Funny, I was just thinking of you the other day because I got my CCW for Arizona, and I owe that all to you, and of course Mr. Carlton. I feel like this is the beginning of a whole new life, able to hunt and now carry and even own a gun. I was able to get my CCW for California as of January, and my instructor said I should apply for Arizona because they are recognized by most of the states we frequent, hence the Arizona CCW.

Again, I owe you my life. You have given me the best gift I have ever received, besides my wonderful husband of course! I will never be able to repay you for all you did and all Mr. Carlton did. Writing this it brings tears to my eyes because I now have the freedom and God given rights I was born with.

Anyway, again, thank you for the card, and please know I am eternally grateful.

Sincerely,

*Karen G.*
