

Dear John,

Thank you for the excellent legal representation you offered me as your client. I am glad the case is over and can now look forward to better things. 😊 You are a very professional and savvy lawyer. I would definitely hire you again if needed. I hope you have a great summer, as I plan to as well.

Take Care,

Sarah

P.S. - Bad handwriting due to creaky pen + old carpal tunnel. Usually I write better...
