

(☺ Take a 2 min. Break ☺)

Dear John,

I just wanted to write you and let you know how appreciative I am that you are my attorney and what an amazing job you are doing. I am so proud of how diligent and smart you are dealing with all this.

Also- you really have been a rock in this storm that I can depend on. This is not easy, I see that - and sometimes I have been so terrified I probably haven't made it any easier for you. I'm sorry for that, I don't really know when to talk, when not to, when to call, when not to, etc.

But I hope you know my heart is good, and you are doing the right thing.

Life beat me down a lot these last few years, to a point where I couldn't even see the truth - I knew everything was always my fault - I was Bad and disgraceful.

Through this you have been the one person to really hear me (past Saint Cassandra's Curse) and believe in me - your strength has literally saved my life.

... Your Kindness is appreciated in every way!

Thank You

I know we're not out of the woods yet, but now I'm not so afraid of the wolves.

Please Get Some rest and Take Care of you,

Waiting patiently

Jessica
